- (c) Townhouses shall front on a public street or townhouse private accessway as provided in the Town of Middleburg Street and Parking Standards.
- (d) No townhouse shall have attached to its front facade a garage or carport unless the garage is an integral part of the residential building and does not project beyond the face of the building. Only in the case of an integrated garage shall a front driveway be permitted.
- (e) Multi-family buildings (apartments) shall avoid massive, monolithic, and repetitive building types, facades and setbacks, and shall be compatible in mass, scale, and design with surrounding areas. Building elevations and architectural details shall be submitted to the planning commission to demonstrate compliance with this section if the project is not reviewed by the Historic District Review Committee as provided in Article XVII.

Sections 141: Off-Street Parking

Off-street parking shall be provided as required in Article XVI.

Section 142: Reserved

PART V: PLANNED RESIDENTIAL DEVELOPMENT REGULATIONS

Section 143: Purpose

Planned residential developments (PRD) are intended to encourage development in the traditional pattern of Middleburg to include a mixture of housing types and price ranges, community facilities and services, and open space and recreation facilities.

Section 144: Minimum District Size

A planned residential development district shall be at least five acres unless the town council finds a smaller area suitable due to its unique historic or environmental features or its redevelopment or infill development potential.

Section 145: General Procedures

- (a) Consideration of an application for a PRD shall consist of three stages:
 - (1) Sketch plan
 - (2) Concept plan/comprehensive plan amendment
 - (3) Zoning map amendment
- (b) Sketch Plan
 - (1) Applicants for a planned residential development district shall submit three copies of a sketch plan showing the proposed development for review and comment. The administrator shall transmit the sketch plan to the commission. The commission shall review the sketch plan at the next meeting after it is received and shall provide comments and recommendations to the applicant within 60 days after the sketch plan is received.
- (c) Concept Plan/Comprehensive Plan Amendment
 - (1) A petition for concept plan approval and amendment of the comprehensive plan may be filed any time after receipt of the commission's sketch plan comments.
 - (2) The administrator shall refer the petition to the commission which shall hold a public hearing in conformity with Article VI of this ordinance.
 - (3) The commission shall review the petition and make a recommendation to the council to approve, approve with modifications, or disapprove the petition within 60 days after the public hearing.

- (4) The administrator shall forward the petition to the council with the commission's recommendations. The council shall hold a public hearing in conformity with Article VI of this ordinance.
 - (5) The council shall proceed as expeditiously as possible to approve, approve with modifications, or disapprove the petition after the public hearing.
- (d) Zoning Map Amendment
- (1) The zoning map amendment shall be filed and processed in accordance with Article XVIII of this ordinance.

Section 146: Permitted Uses

The following uses are permitted in a planned residential development district when listed in the ordinance approving the concept plan and establishing the district:

- (a) Single family detached
- (b) Duplex
- (c) Single family attached
- (d) Multi-family
- (e) Accessory uses
- (f) Home occupations
- (g) Public parks
- (h) Schools
- (i) Colleges
- (j) Bed and breakfast
- (k) Neighborhood utility facility
- (l) Place of worship
- (m) Library
- (n) Municipal buildings
- (o) Municipal parking lots
- (p) Group home
- (q) Cemetery
- (r) Nursing homes
- (s) Child care center
- (t) Rooming and boarding houses
- (u) Special Uses as approved by the town council

Section 147: Residential Density

- (a) Residential density limits shall be as established in the comprehensive plan. The base density shall be the lower of the density numbers shown on the Land Use Policy Map in the Comprehensive Plan. The higher number shall be the maximum density allowed within a planned residential development through the provision of additional public benefit as provided in Subsection 147(c). In no case shall a planned residential development be approved which permits more dwellings per acre than indicated on the land use policy map.

- (b) The number of units allowed in a planned residential development shall not exceed the base density unless the town council, in its sole discretion, finds that the proposed development plan provides additional benefits to the public health, safety and welfare by providing one or more of the following features above the minimum requirements of this ordinance:
 - (1) Dedication of public facility sites
 - (2) Additional open space
 - (3) Design reflecting the traditional development pattern of the Town of Middleburg
 - (4) Environmental protection
 - (5) Historic preservation

- (c) The permitted number of units allowed in a planned residential development may be increased as determined by the town council above the base density upon a finding of additional public benefit in accordance with the formulas set out below:

<u>ADDITIONAL PUBLIC BENEFIT</u>	<u>INCREASE IN DENSITY</u>
(1) Public Facility Sites	
For dedication of public facilities recommended by the comprehensive plan.	Up to 10 percent of base density
For provision or dedication of off-site road improvements or payments in lieu of such improvements.	Up to 10 percent of base density
(2) Open Space	
For provision of additional usable open space beyond the minimum requirements of this ordinance.	Up to 5 percent of base density for each 5 percent open space up to 10 percent of base density
(3) Traditional town design	
For site and building design which is in conformity with the traditional design characteristics of the town. Examples include period architecture in conformity with the town design manual, superior use of building materials, and siting compatible with the existing town development pattern.	Up to 20 percent of base density

(4) Environmental protection

For protection of environmental features as shown on the comprehensive plan:

Floodplains or natural drainageways	Up to 5 percent of base density
Slopes 15 to 25 percent	Up to 5 percent of base density
Use of existing hydrological systems or innovative engineering solutions for stormwater management	Up to 5 percent of base density

(5) Historic preservation

For appropriate use of a designated historic structure or site	Up to 5 percent of base density
For compatible development adjacent to a designated historic structure or site	Up to 5 percent of base density

Section 148: Usable Open Space and Recreational Requirements for Planned Residential Developments

- (a) Twenty-five percent of the site area shall be reserved as usable open space as defined in Article XIII.
- (b) A minimum of 100 square feet of active recreation space shall be provided for each dwelling unit. The following are illustrative of the facilities that shall be deemed to serve active recreational needs: tennis courts, swimming pools, sauna and exercise rooms, meeting or activity rooms within clubhouses, basketball courts, swings, slides, and other play apparatus.
- (c) Each development shall satisfy its active recreation requirement by installing the types of recreational facilities most likely to be suited to and used by the residents in that development. At least 15 percent of the active recreation space shall consist of tot lots, unless it appears that less than 5 percent of the residents of a development are likely to be children under 12.
- (d) Each active recreation area shall be centrally located and easily and safely accessible to the residents of the development.
- (e) Each active recreation area shall be constructed on land that is relatively flat, dry and capable of serving the purposes intended by this ordinance.

Section 149: Lot and Height Requirements

Lot and height requirements shall be as provided for the R-4 Residential District; provided, however, that the town council may waive or modify specific lot or height requirements at the time of approval of the PRD district. Such waiver or modification shall be made a part of the ordinance approving the PRD district.
