**YOU MATTER!
MAKE SURE YOUR COUNTED!**

An accurate count in the 2020 Census is important to the Town in many ways. The Census determines how legislative districts are drawn, which affects your representation. It also affects how much Loudoun County receives in federal funding. This funding is used to support the following:

- Head Start and Free/ Reduced School Lunch
- SNAP (food stamps) and WIC
- Affordable Housing
- Healthcare Services
- Transportation and Roads

Notification letters regarding the 2020 Census will be sent to residents beginning in March. Please complete the form & submit it as instructed.
