AS YOU WANDER THROUGH OUR QUAIN TOWN, HISTORY COMES TO LIFE EVERYWHERE!

Did you know we have more than 160 buildings listed on the National Register of Historic Places? Keep an eye out as you walk – you'll find historic sites and statues in unexpected places. And since you're in horse country, plan to visit the National Sporting Library & Museum. Just at the top of the hill, this tranquil space features artwork memorializing the best of horse racing and other "country pursuits."

MAP NOT TO SCALE

THE GREAT OUTDOORS

All around town you'll spot places to relax and enjoy our picturesque village. Drop by the historic, non-profit Community Center and enjoy the garden, playgrounds, and pool. Explore The Hill School's 20-acre arboretum and public trails. Or should you be looking for more adventure, the Salamander is not only a breathtaking resort and spa – it's also home to zip lining, tennis, nature hikes, archery, axe throwing and, of course, horseback riding.

ACCOMMODATIONS

If you'd like to stay overnight in our village-like setting (and we hope you do!), choose from The Red Fox Inn - the oldest continuously operating inn in America, local B&Bs, or the acclaimed Salamander Resort & Spa, with a Five-Star rating from Forbes Travel Guide for both the Resort and Spa.
