.Remote Meeting Announcement

It is the Middleburg Town Council's responsibility to conduct essential public business despite the COVID-19 pandemic; however, it recognizes the need to do so safely for not only its membership but also for the Town staff and members of the public. To that end, the Town Council will hold its meetings via remote access until such time as the Governor rescinds his emergency orders mandating social distancing. Copies of the documents that give the Council the authority to do so are available on the Town's website for those who wish to view them.
